

Paid Watershed Management & Restoration Internship (*Peñasco and El*

River Source is hiring for a 4-week paid internship opportunity in watershed management and ecological restoration. This position is open to 15-25 year old young adults.

>5 Crew members:. NO LONGER SEEKING APPLICATIONS FOR CREW MEMBERS

>1 Crew leader: Young adults who are 21-25 years old with an interest and/or experience in working in teams, a passion for water, watersheds, natural resources, healing the planet and leadership development.

This is a paid internship, sponsored through River Source and Partners in Education Foundation, starting on **June 17, 2024** (*final dates TBD*). The internship activities will take place near Peñasco.

Work-Learn Activities may focus on:

- Collecting natural resource data using global positioning systems (GPS) and assessing potential locations for watershed restoration work;
- Learning and applying biological monitoring, stream ecology, and assessing the effectiveness of environmental management practices;
- Conducting ecological assessments in riparian areas;
- Building erosion control structures to improve soil moisture, vegetation, and wildlife habitat;
- Making connections with other peers and having fun, while making money!

Crew leader pay: up to \$21 per hour for an estimated 180 hours of service learning.

Internship period & supervision: The work will occur on a Monday-Friday schedule, from 8:00 am to 4:30 pm for most weeks, but on some we may work longer days and only work 4 days per week. Crew members need to have transportation to get to and from the starting work location which is at MAS Comunidad. Carpool options may be available if interns/families can coordinate.

Interns will learn under the direct supervision of River Source staff.
